

Pledge of Support

Our congregation/agency hereby enrolls in the DOXOLOGY program. We hereby register our pastor, Rev. _____, for this post-graduate continuing study and renewal opportunity.

We understand that DOXOLOGY shepherds and renews pastors, providing them with advanced skills to provide transformative spiritual care and Christian counsel to the people entrusted to their care. We further understand that DOXOLOGY improves the life and mission of churches by training lay leaders to better grasp their essential role in supporting the pastoral office and helping to build a positive sense of identity and mission throughout the congregation. Finally, we are pleased that DOXOLOGY provides assistance for wives of pastors to encourage them in their unique vocation.

With thanksgiving to our Lord for calling this pastor into our midst, deep appreciation for his ministry of Christ's Word and Sacrament among us, and eagerly anticipating blessings for our congregation through participation in this program, we hereby pledge the following:

YES! Our church will grant the required release days needed for our pastor to attend all three DOXOLOGY scheduled events. These release days will be regarded as paid continuing education days; they will not be counted as vacation days. (Ten days of study are required over the three events.)

YES! Our congregation will send at least one lay leader to accompany our pastor to the Encore DOXOLOGY event to increase our knowledge and support of the pastoral care of souls and to enhance our congregation's grasp of Christ's vision for the life and mission of His church. We understand that although one person's expenses are included in the initial registration fee, we may send additional laity at cost.

YES! We hereby pledge to pay the complete cost of the entire program. Due to a very generous grant by the LCMS Office of National Mission, every enrolling congregation receives a grant of \$3500, lowering the cost of the 2022 program to \$2400 (\$2300 from congregation and \$100 from pastor). If registered before 12/1/2021 there is an additional \$200 discount to the congregation for early registration. (Note: this package price includes all tuition, instructional materials, food and lodging costs for all events: pastor for the first event (Gathering); pastor and one lay leader for the Encore; pastor and his wife for the Grand Reunion.) We understand that our financial obligation includes payment for the complete program, even if circumstances prevent participation in a portion of the current event series. (Upon advance notice, attendance can be arranged at an alternate site.) Our payment schedule is enclosed.

YES! Our church takes seriously the charge Christ has given to pastors to tend the sheep and lambs for whom He died. We are eager to provide our prayerful support and personal encouragement as our pastor enters this important experience designed to strengthen and equip him with advanced competencies and skills for spiritual care.

The signature below pledges our congregation's joyful commitment to this agreement:

_____ Congregation/Agency _____ City _____ State

_____ Congregation/Agency Representative

_____ Title/Office _____ Date

Print out two copies of this form, sign both, and retain one in the church office for reference. The other is to be mailed to DOXOLOGY according to the instructions on the Note to Treasurer (next page).
