Presenters:

Rev. David Fleming is a parish pastor and Executive Director for Spiritual Care for DOXOLOGY.

Dr. Beverly Yahnke is a clinical psychologist and Executive Director for Christian Counsel for DOXOLOGY.

With the legal redefinition of marriage, the confusion regarding gender, and rapidly changing sexual mores in society, biblical educators, pastors, singles, couples, and parents are looking for guidance in articulating and promoting a positive view of the Christian vision of marriage and sexuality. This conference aims to equip people with the tools to speak constructively and to live confidently amid the current confusion.
